

**Norm Patenaude Award Winners**  
from 2006 to present

The Norm Patenaude Award is bestowed upon those who complete a specific number of Ultra Events in a given year.

Winners for years before 2006 are shown on the individual year pages linked from the [Standings Page](#). Prior to 1996 the award was known as the Iron Person Award. In 1996 it was renamed the **Norm Patenaude** Award in memory of the legendary runner, race course measurer, race organizer and president of the Ontario Roadrunners Association who was killed while cycling in the summer of 1996.
